Notes

£10 Annual Subscriptions are due on the 1st of March each year

Try us for a couple of walks before joining

Coach pickup points and times are on the back page

Walking, especially with a group, is a good form of exercise and an excellent way to stay healthy.

Our walks are a mix of exercise, a picnic, socialising, and fresh air (and occasionally a little rain or mud).

If you decide to walk with us, we advise that you bring suitable, robust footwear such as walking boots or shoes. Waterproofs and a change of footwear is recommended.

The walks are fairly easy, around 6 miles long at a moderate pace, and suitable for most people. Uphill sections do occur but they are usually steady inclines and not too steep. You ascend at your own pace and we make sure that no-one gets left behind.

We have a refreshment break either en-route or at the start of the walk. If you are walking with us you will need to bring some sort of packed lunch and a drink for the lunchtime stop.

If you want to walk ahead of the leader on the walks, please ask their permission to do so.

If you don't want to do the planned walk with the group but would like to explore the area on your own, you are welcome to join us on the coach for the same price.

Coach outings are generally run between February and November.

Mid-week outings are by members' own cars, and car sharing is encouraged.

Lectures are held from September to March, on the 2nd Wednesday in each month, at Forest Gate Baptist Church, off Whitegate Drive Blackpool, starting at 7.15 pm.

Entrance is £2.50 unless stated otherwise (includes tea/coffee and biscuits).

The Group will not accept liability for accident or injury sustained on any Group activity.
